Laugh out loud while raising money for Junior Achievement

Tuesday, October 11, 2016
8:00 p.m. @ Goodnight's Comedy Club

Perhaps you're wondering who could have conceived that accountants could be comedians? Accountants One, an accounting and financial recruiting firm, has been taking a fresh approach to the needs of their clients and candidates since 1973. We are dispelling the undeserved reputation accountants have for being 'humorless number crunchers' with our 6th Annual Search for North Carolina's Funniest Accountant.

All proceeds from this comedy show/stereo-type debunker benefit Junior Achievement of Eastern North Carolina, whose mission is to inspire and prepare young people to succeed in the global economy. Last year's show raised over \$10,000 for Junior Achievement of Eastern North Carolina through our funny accountants and corporate sponsors: Venture Back Office, Paragon Bank, Retirement Geeks, Cherry Bekaert, LLP, EY, Atlantic BT, Burt's Bees, Deloitte, Golden Corral, Williams Overman Pierce, LLC, Universal Printing, Harris Teeter, Carolina Mud Cates, Durham Bulls and Marriott. Join the fun as a corporate sponsor to help support Junior Achievement.

This is a terrific team building event for your accounting or finance team. One of our clients had a limo pick up his Accounting and Finance Departments, take them out for dinner and then to the show. It was a huge success! Other benefits of becoming a corporate sponsor include:

- A unique advertising opportunity for your firm
- Raising money for Junior Achievement
- Drink tickets for your guests
- A tax deduction and a great evening of fun!
